

STAND UP for Kids!

Do you know a hero?

Then nominate a hero for a Stand Up for Kids Award!

Each year, the Catholic Children's Aid Society of Toronto, Children's Aid Society of Toronto, and Jewish Child and Family Services present awards to individuals and organizations whose work or actions have helped to prevent or stop child abuse.

Abused children need heroes to stand up and help them!

If you know someone who has made a call to a CAS about a child or family, or someone whose work helps vulnerable children stay safe - we want to hear from you!

Award recipients will be honoured during *Child Abuse Prevention Month in October*.

By having the courage to stand up for kids, these everyday heroes remind us that we are all responsible for protecting children.

Eligibility: Nominees must live or work in the City of Toronto and the action for which they are nominated must have taken place in the past year.

The deadline for nominations is August 15, 2007.

Please send nominations or any questions to Suset Silva, Catholic Children's Aid Society of Toronto at ssilva@ccas.toronto.on.ca or 416-395-1508.
