

2019-22

STRATEGIC DIRECTIONS

1. Strengthen Client-Centered Services and Supports
2. Work Collaboratively
3. Champion Diversity, Equity and Inclusion.

Strengthen Client-Centered Services and Supports

Provide client-centered services and supports that incorporate the voices of children and youth and that enable children, youth and families to achieve good outcomes.

Work Collaboratively

Develop strategic partnerships with families community agencies and government at the governance, management, and service levels to support integrated and seamless service delivery.

Champion Diversity, Equity and Inclusion

Pursue a culture of Diversity, Equity and Inclusion to eliminate disparity and disproportionality in service outcomes.
