We at the Children's Aid Society of Toronto invite our community members across the Greater Toronto Area to become Volunteer Drivers to support children, youth and families who receive our services. You'll play an integral role in ensuring children and youth, from infants to teenagers, are transported safely to and from family visits, Foster Care homes and residences, appointments and more.

My favourite part of being a Volunteer Driver is collaborating with youth, parents and Foster families. This is meaningful to me because I look forward to helping others and it gives me a sense of purpose.
